BAY AREA: October 29-30, 2011

This weekend is a precious opportunity to gather together as women in the safety and openness of inner stillness, reflection, sharing and inner wisdom. Imagine:

- A sacred space for deep reflection, expression and witnessing.
- Immersion in rituals and processes for heightening awareness and expression of truth, wisdom, and joy.
- **Openness**, safety, joy, laughter, support, delight, surprise, space for pure being.
- Discovering new ways to reveal blind spots, ٠ limits or fears and immediate ways to release and open to joy.
